Silver Frame Film Residency

GREEN FOCUS Special Screening at the Sarajevo Film Festival

WELCOME • DOBRO DOŠLI

This program features five short films, created in four days through collaboration between young filmmakers from the region and professional mentors, showcasing emerging voices and innovative storytelling.

Filmed between Srebrenica and Bratunac, they explore nature, community, mutual understanding, and life in small towns.

The Silver Frame Film Residency unites film education, ecological awareness, and local engagement through art, offering a unique creative experience that nurtures emerging talent and fosters cross-border collaboration.
